#### Terms and Conditions of Entry

##### 1. General

Entry fees include all AASA fees incl Personal Accident Insurance, Person to Person and Competition Licences and Passport. Entry fees are subject to variation depending upon insurance costs.

This information will assist you in applying for an Invitation to Compete, and determining the acceptability of your vehicle.

Please read carefully the process involved in making an application for an Invitation to Compete; the issue of an Invitation to Compete; and the Vehicle Selection Policy. The application form is designed to provide information to assist us in our deliberations. The information will also be the basis of publicity material about the event. Therefore, please observe these points:

Complete EVERY detail as requested. By not receiving full details of the crew and the vehicle we will not be able to classify the car and may be unable to issue a final Invitation to Compete.

Failure to provide complete and accurate information, particularly about modifications to your vehicle, may result in your application not being considered, or an invitation issued on false information being rescinded and fees forfeited, or exclusion from all results.

Front and Rear ¾ colour photographs of the nominated vehicle must be supplied to assist us in identifying the make and model, therefore must be good-quality colour prints. Transparencies and black and whites are not suitable.

If you wish to nominate more than one vehicle, please submit a separate application form for each vehicle with a separate AUD\$800 application fee for each one.

##### 2. Targa Wrest Pont Vehicle Selection Committee

All applications are considered by The Targa Wrest Point Vehicle Selection Committee and progressively selected are the most desirable of all the vehicles nominated to build a field of about 150 cars.

The first batch of Invitations to Compete will be issued around October 2010 following the release of the 2011 Supplementary Regulations. Applications close on 11th December 2010.

**The below points should ultimately be read in conjunction with the Supplementary Regulations for Targa Wrest Point 2011, available for distribution around September 2010. In the event of conflict, the Supplementary Regulations take precedence.**

##### 1. General

Applications for Invitations to Compete in Targa Wrest Point 2011 open at 2pm on Thursday 28<sup>th</sup> January 2010, and close at 5pm on 11th December 2010.

Applications are to be lodged with the organisers on the official application form or using the pre completed form supplied by the organiser; specifying the vehicle in which the applicant has nominated to compete; listing the exact year the vehicle was built; plus full details of ALL modifications made to the original specifications of the vehicle; and be accompanied by an application fee of AUD\$800. Application fee of AUD\$800 is non-refundable.

An Invitation to Compete, (including entrants eligible for Early Bird discount), is issued by the Organisers at their sole discretion. Any such invitation applies only to the nominated entrant, the nominated driver and the nominated vehicle as described in the "Vehicle Specifications" section of the application.

An entrant wishing to change the vehicle originally nominated or to vary its specifications in any way after an invitation to compete has been issued, must notify the Organisers who, at their sole discretion, reserve the right to withdraw the original invitation and consider the proposed replacement vehicle as a new application. Vehicle changes must be submitted on the "Change of Vehicle" form.

The Organisers reserve the right to decline to issue an Invitation to Compete (including Early Bird applicants) in Targa Wrest Point 2010 without giving a reason. An entrant invited to compete will be notified within seven days of our decision to issue a provisional or final invitation.

The maximum number of starters is limited by road closure arrangements, and under current circumstances will not exceed 150 vehicles for the Competition.

Notwithstanding the lodgement of an application and the issue of an invitation to compete, the entrant, driver and navigator will be required to complete the Entry Form provided by the organisers, upon invitation.

Subject to the approval of the body issuing the permit to conduct the event, an entry may be substituted for one lodged prior to the stated closing date of entries and in respect of which the original entrant has advised of an inability to compete.

It is a condition of entry that, from the completion of each vehicles pre-event scrutiny, the vehicle is subject to security park conditions as set down in the Supplementary Regulations.

The entrant agrees all film and video tape rights for the event are jointly the property of the Organisers, Octagon Australia Pty Ltd and Southern Cross Television. Competitors are permitted to carry video cameras in their vehicles for the purpose of making moving or still picture records for their private viewing, but the Organisers retain copyright of all film/video footage associated with the event. No movie, film or video taping of any part of the event shall be carried out by entrant or crew member other than with the express approval, in writing, of the Organisers. Any commercial arrangements made by the entrants and crew members for the sale of film or video/still footage, or viewing of such footage in a public place, must be approved in writing by the Organisers. Entrants and crew members are advised to contact the Organisers prior to making commitments for any such commercial arrangement. Failure to observe this regulation may lead to legal action by the Organisers for a breach of copyright.

All crew members agree to the use in perpetuity of their names and photographs, and photographs of their vehicles, in publicity material issued by the Organisers or the event sponsors and to comply with the film and video regulations. All crew members agree that their names and contact details may be made available to and be used by sponsors and licensees of the event. The Organisers have the right in perpetuity to authorise the production, distribution and sale of models, photographs or other forms of reproduction of any vehicle participating in the event, in competition livery (including drivers, co-drivers and navigator names) for event-related promotions. Applications may be submitted post close of applications, but will incur an additional fee of \$400. No application will be accepted after 14th January 2011.

## **2. Entry Fees (Including GST)**

Applications requesting an invitation to compete must be accompanied by an application fee of AUD\$800.

### **Early Bird Entry Fees**

For vehicles nominated for the Classic section	AUD\$1790
For vehicles nominated for the Modern section	AUD\$1790
The nominated vehicle being acceptable to the Organisers	

### **Regular Entry Fees:**

For vehicles nominated for the Classic section	AUD\$2190
For vehicles nominated for the Modern section	AUD\$2190
The nominated vehicle being acceptable to the Organisers	

The Entry Fee will include the following items in all sections:

Targa Wrest Point vehicle number plates  
Tickets for two crew members to the Welcome Party and Finish BBQ  
Lunches for two crew members on Day One of the competition

Additional crew members may be nominated as replacements during the event, but the nomination must be submitted in writing on the required form. Acceptance of the nomination will be at the discretion of the Organisers. For example, to cover the costs of merchandise, function tickets and administration, a fee of AUD\$400 will apply for each additional person nominated for each vehicle. This additional fee may be reduced or waived at the discretion of the Organisers.

If for any reason, an entrant fails to utilise an amount in the entry fee allocated for variable costs such as merchandise, function tickets, and scrutiny, the balance shall be regarded as administration costs borne and will therefore be retained by the Organisers.

All Entry Fees must be paid by 14th January 2011.

If any Entry Fee is not received within the specified time, the Organisers reserve the right to withdraw the invitation and allocate the vehicle competition number to another invited applicant. In normal circumstances, the Organisers will issue an invoice with your Invitation Pack and issue monthly statements, but failure to receive an invoice or statement shall not relieve an entrant of the obligation to make the required payments. Entry fees are subject to variation depending upon insurance costs.

## **3. Withdrawal and Refunds**

An applicant whose application is rejected will have the amount of monies paid as a deposit refunded.

An applicant who applies to compete and who then withdraws from the competition will forfeit the application fee and have the balance refunded.

An applicant who applies to compete and who then withdraws and transfers to the 2012 event will have all payments transferred to Targa Wrest Point 2012.

- i Transferred applicants will NOT be automatically issued with an invitation to compete in 2012.
- ii Transferred applicants are required to lodge an application with the organisers on the official application form for 2012.
- iii If a transferred applicant does not subsequently compete in Targa Wrest Point 2012, the full amount that was transferred from 2011 is forfeited.
